School Uniform Policy

Statement

1. The Catholic Education Office Wollongong and St John's Catholic Parish Primary School supports the wearing of school uniform which promotes a sense of belonging for students and creates a positive identity for the school community. School uniforms also contribute to the personal safety of students by allowing easier recognition of students inside the school and in the community.
2. St John's expects students to wear the uniform during school hours, while travelling to and from school, and when engaged in school activities out of school hours.
3. All students should have the opportunity to access the full range of school activities, including physical activities while wearing a school uniform.
4. St John's school uniform is the result of formal consultation with students, teachers and other staff, parents or carers, and the school community (including the Parents and Friend's Association).
5. St John's school uniform requirements comply with work health and safety and anti-discrimination legislation (NSW Anti-discrimination Act 1977 and the NSW Work Health and Safety Act 2011). The school uniform promotes the health and safety of students by identifying items necessary for particular activities to protect students from injury (for example, items for sun protection or safe footwear). Students are encouraged to wear sun-safe hats for outside activities whenever possible.
6. Uniforms can be expensive and to this end, we have second-hand uniforms available for purchase by contacting the school office.
7. Families who are experiencing financial hardship can seek support from the school in meeting such costs by arranging a confidential meeting with the Principal.
8. St John's school uniforms are available from Lowes Dapto and Crystal Bears.
9. On the rare occasions, when a student cannot wear the correct uniform, a written explanation should be provided to their classroom teacher.

10. Students who are out of uniform (without a written explanation) will be given an 'out of uniform notice' to be signed by a parent/carer and returned to school. The 'out of uniform notice' will again be preceded by a rule reminder in the hope that no further action will need to be taken.

Uniform

At St John's Catholic Parish Primary School we believe that students should be encouraged to wear an appropriately designed school uniform at all times. We believe that the specified uniform should be worn in full by all students.

The St John's Catholic School Uniform is available at Crystal Bears Fairy Meadow and Lowes Dapto. Limited supplies of St John's second-hand uniforms are available for purchase by contacting the school office.

We believe that no student should be disadvantaged because of financial difficulties.
